OFFICE OF THE DIVISIONAL FOREST OFFICER, TARIKERE DIVISION, BHADRAVATI.

Brief Notification dated 5th November 1969.

Sub.—Timber logging works from Darkast area and purchase of firewood bamboos at Seigniorage rate etc.

Sealed tenders for preparation, carting and lotting of timber of darkhast areas during the year 1969-70 as detailed in the schedule below will be received by the undersigned or any other officer deputed by him on 15th December 1969 up to 3 P.M. at the Divisional Forest Office, Tarikere Division, Bhadravati.

Each tender should be addressed to the Divisional Forest Officer, in sealed cover superscribed as "Tender for preparation, carting and lotting of timber of Darkhast area" and purchase of firewood and bamboos and accompanied by an earnest money deposit amount as noted against each unit, through remitted challan.

Tenders should be put in the tender box kept for the purpose in this office.

Tenderers should offer their tenders in the prescribed tender forms only which may be obtained on payment of Rs. 5 per form through remitted challan. The value of the tender form is not refundable.

The quantities notified are only approximate.

Rate should be quoted as so much per CMTR of timber for preparation, carting and lotting at the notified depot.

The firewood and bamboos available in the area as estimated and noted in the schedule shall also be removed by the successful tenderer subject to the following conditions.

(*a*) All the firewood and bamboos should be collected and lotted first.
(*b*) The firewood billets shall not be more than 2½ in length and 36" in girth and should be stacked into convenient lots.
(*c*) Species of teak Beete, Honne, Yethiga, Kalam and binate should not be removed as firewood. These should be cut into straight lengths of 4' and above stacked species, wise free of cost on the boundray line of the darkhast areas.
(*d*) The firewood lots so built should be got measured and release order obtained from the Divisional Forest Officer and remove it after obtaining the permits duly paying the value at Rs. 5 per ton of stacked volume of 70 cft (per ton).
(*e*) Bamboos so stacked should also be removed on payment of the existing seigniorage rate after obtaining orders from the Divisional Forest Officer.
(*f*) The contract period up to 31st March 1970.

For other conditions and details the intending tenderers may refer the detailed notification available in this office during working hours on all working days.
